MEMO TO: Lt Adams

FROM: Deputy Rick A Swope ^{MS}
Traffic Homicide Unit

SUBJECT: Outside Employment

On Friday December 18 1987, myself and Deputy Hal Samuels spoke with Sam Price in regards to outside employment. Mr Price related that in our previous letter of request, certain situations were not addressed in regards to working off duty. Those matters were discussed and are contained in this memo.

I am requesting to be allowed to work in the field of Accident Reconstruction in my off duty hours. I am aware that no equipment that is owned or issued by the Sheriff of Broward County will be used, nor will my off duty employment interfere with my ability to function, or to be in an on call status with the Traffic Homicide Unit. I further agree that I will work no cases within the confines of Broward County. I agree that I will work no criminal cases whatsoever, regardless of where they may occur, nor will I work a case which may bring discredit upon the Broward Sheriff's Office. It is further understood that if there is any question I may have in regards to working a case, I will inform Mr Price in writing and will await his decision, which will be final. If you have any further questions, please contact me. I request that this be approved.
