Subject: Traffic Crash Reconstruction

Dear Master Corporal Benton,

In response to your question regarding certification in traffic crash reconstruction, neither the Criminal Justice Standards and Training Commission nor the Florida Department of Law Enforcement certifies individuals in traffic crash reconstruction. The Commission offers an Advanced Program Training course in traffic crash reconstruction; however, completion of this course does not equate to or create a certification.

Please contact me at telephone number (850) 410-8660 if you have any other questions.

Sincerely,
