Dear Ms. Kahagan,

Enclosed is the information you requested in your letter dated April 22, 2002.

The information includes a copy of the brochure and the seminar manual for course numbers 216162, 216196 and 216596.

In your letter you also asked if we held a course entitled "Accident Reconstruction and Intoxilyzer" within the past five years. After doing some research, to the best of my knowledge, Lorman has not sponsored a seminar entitled "Accident Reconstruction and Intoxilyzer".

There will be no charge for the enclosed information. If I can be of further assistance please don't hesitate to call me.

Sincerely,

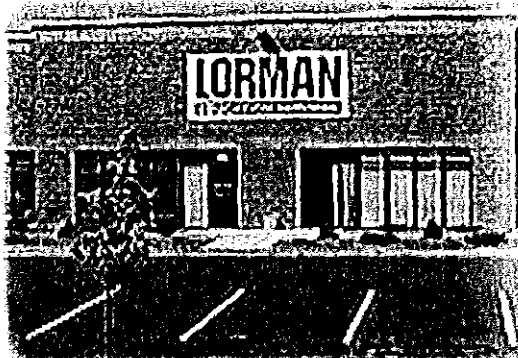

Amy G. Forsberg
