Transcript Information

One unit of credit is the semester hour. Each semester hour represents the equivalent of one class period of fifty minutes in length for fifteen (15) weeks.

Academic calendar not necessarily dates attended.

On-campus courses

1 SEM = Fall semester

2 SEM = Spring semester

SUM SEM = Summer semester

INTRASES = Intersession (short intense sessions up to 3 weeks duration between major semester periods)

Off-campus courses

01-04 SEM = CE 5655-114 - courses conducted off-campus

51-06 SEM = CE Fall SEM CE SPR SEM CE/SE SUM SFM = all other courses conducted off-campus

Explanation of semester and cumulative information at the bottom of each grade label.

EX	Hours attempted to date	Cumulative credits earned to date	Cumulative points achieved to date	Hours attempted not completed	Grade point average this semester	Quality points achieved not completed
108	3,284	355	18	3,444	62	

Explanation of Course Numbers and Grades

A - Course work completed after Sept. 1, 1928 and before Sept. 1, 1958

Course Levels

- 1 - 29 -- short course students
- 31 - 49 -- summer work, non credit
- 51 - 99 -- summer work, undergraduate credit
- 101-199 -- undergraduate only
- 201-299 -- undergraduate and graduate
- 301-399 -- graduate only

Grading Policy

- A = distinguished achievement = 3 pts
- B = superior achievement = 2 pts
- C = average = 1 pt
- D = poor = 0 pt
- Con = conditioned, deficient quality = 0 pt
- F = failure = 0 pt
- Inc = Incomplete = 0 pt

Graduation Requirements

Total credits required for bachelor's degree varies from 120-164 depending upon college and curriculum (see reverse side for department codes). A student must achieve a 2.0 (C) in course work applied toward a degree. Up to 1/2 of any degree credit may be earned at a 2-year college. All students must complete at least 30 hours in residence. Furthermore, of the final 30 hours applied towards a degree 20 must be in residence. Courses in the major field must be completed in residence unless excepted by the major department.

Transfer Credit

Credit hours presented from another institution are listed only as a block of hours and are not computed in GPA calculations (this may include CLEP, Advanced Placement, or special exams completed at the original institution). USAFI-DANTES and Military Service credits are listed separately.

Notice

Public Law 93-380 prohibits access to the information contained in the attached academic transcript by anyone other than the recipient, unless specific written permission for further dissemination is received from the student who is identified therein.

Inquiries

Any inquiries should be directed to the Director of Student Records, 118 Anderson Hall, Kansas State University, Manhattan, Kansas 66506, or (913) 532-6254.

Authentication of Transcript

The transcript is not official unless the seal of Kansas State University and the signature of the Dean of Admissions and Records are affixed in multi-color ink.

B - Course work completed after Sept. 1, 1958

Course Levels

- 000-099 -- non-credit
- 100-299 -- lower division undergraduate
- 300-499 -- upper division undergraduate
- 500-699 -- upper division, primarily undergraduate but may be taken for graduate credit
- 700-799 -- graduate level, primarily Master's courses (open to upper level undergraduates also)
- 800-899 -- graduate level, primarily Master's level
- 900-999 -- graduate level, primarily Doctoral level

Grading Policy

- A = Excellent = 4 pts
- B = Good = 3 pts
- C = Fair = 2 pts
- D = Passing = 1 pt
- F = Failure = 0 pt

CR = Credit for a pass/fail course, or 0 credit course

NCR = No credit for a pass/fail course

(CR/NCR Work is not Computed in GPA)

I = Incomplete (always assigned to Thesis research until degree awarded)

WD = Withdrawn*

R = Retake, indicates the lined out course has been retaken at a later time; the original quality points for the course have been deleted from the Grade Point Average. The retake grade will only be used in subsequent Grade Point calculations.

*Effective Fall semester 1974, "WD" was replaced by WP, which indicates withdrawn passing (and is not utilized in GPA calculations), and WF, which indicates withdrawal failing (which carries "0" quality points and is utilized in GPA calculations.)

and II, Principles of Biology and Organismic Biology, Microbiology, Genetics or Heredity and Evolution, Human Physiology. (One year's work [30 hours] will be granted toward the degree for completion of the first year at dental school for students who enter dental school at the end of their junior year).

H. Pre-Law Curriculum: Students may major within one department or major within the General Curriculum. They may graduate with a B.S. or A.B. degree. Students should consult with the pre-law adviser.

I. Pre-Optometry Curriculum: Students wishing to enter a school of optometry at the end of the junior year should fulfill the General Requirements for the Bachelor of Science or Bachelor of Arts degree and the required courses for admission to a school of optometry.

J. Pre-Pharmacy Curriculum: Students wishing to enter a school of pharmacy at the end of the sophomore year should partially fulfill the requirements for the B.S. degree (page 84), making certain to include English Composition I and II, Chemistry I and II, Chemical Analysis, Algebra, Trigonometry, Oral Communication I, General Physics I and II, Economics and three courses from the Division of Biology.

K. Pre-Secondary Education: Students preparing to teach in the junior and senior high schools are usually enrolled in a Pre-Secondary Education Curriculum in the College of Arts and Sciences for the freshman and sophomore years. Students fulfill requirements for the B.S. Degree in the College of Education (page 185). Prior to acceptance in the College of Education, students are advised by College of Education advisers in the Dean's Office of the College of Arts and Sciences and by advisers in their major fields. When students are accepted into the College of Education they are reassigned to advisers in the College of Education and retain their advisers in their majors who assist in the selection of courses in their majors and teaching fields.

Students should make application to the Teacher Education Program during the sophomore year. Fifty-three semester hours are required for application to enter the College of Education and admission to the Teacher Education Program (page 185).

L. Pre-Elementary Education: Students desiring to teach in elementary schools are enrolled in the College of Arts and Sciences for the freshman and sophomore years in the Pre-Elementary Education Curriculum. Pre-Elementary Education students fulfill requirements for the B.S. in Elementary Education Degree in the College of Education (page 185). Prior to acceptance into the College of Education, Pre-Elementary Education students are advised by the College of Education advisers in the Dean's Office of the College of Arts and Sciences. When students are accepted into the College of Education they are reassigned to advisers in the College of Education.

Students should make application to the Teacher Education Program during the sophomore year. Fifty-three semester hours are required for application to

enter the College of Education and admission to the Teacher Education Program (page 185).

M. Pre-Nursing Program: Students can enter the pre-nursing curriculum and take the necessary courses and electives for transferring to a school of nursing. The number of credits earned and the courses taken will vary depending on the school of nursing the student desires to attend. For students entering a baccalaureate degree program in nursing, generally two years of course work (60 credits) as prescribed by the university granting the degree, are required. For students transferring to a diploma program, 28-30 credits usually are required. The pre-nursing adviser will assist students in selecting appropriate courses, advising them regarding the different kinds of nursing education.

INTERDISCIPLINARY PROGRAMS

South Asia Language And Area Studies

The South Asia Center is an interdisciplinary language and area center focusing the course offerings of several departments on this important world area with whose development Kansas State University programs have been concerned for more than a decade. It receives support through the NDEA program of the Department of Health, Education and Welfare of the Federal Government. South Asia, as a linguistic and cultural area, includes Afghanistan, Pakistan, India, Nepal, Ceylon, Bhutan, Sikkim and the Maldives Republic. Of their principal languages, the Center currently offers three years of Urdu and one year of Hindi at the intermediate level, and one year of Tamil. While the Center does not offer a major, it affords undergraduates an opportunity to give their major study an international emphasis through concentration on South Asia. The Center's "core offering," "Introduction to the Civilizations of South Asia," can be taken for credit in the Departments of Anthropology, Art, Economics, History, Geography, Political Science and Sociology.

Undergraduates majoring in these departments, with a South Asia concentration, are eligible for any of various group study tours in South Asia such as those conducted by the Great Lakes College Association, Carleton College, etc. Graduate students whose thesis subject is in the area of South Asian studies may elect to apply for any of several federal and private grants enabling research and study in South Asia. Several of the offerings in the South Asia Language and Area Curriculum are available to graduate students.

As part of its support to the Center's program, the federal government may, as appropriations permit, grant fellowships to graduate students to pursue the study of a South Asian language.

The South Asia Center presents an annual series of colloquia at which faculty members and scholars of Kansas State University and from other campuses present current papers on aspects of South Asia studies.

Linguistics

The Departments of English, Modern Languages and Speech cooperate in an interdepartmental linguistics program that offers cross-listed courses of study

leading to the themselves with academic back offerings also for any discipline structure of human linguistics as it foreign language pathology, and

Undergraduate Speech may with Graduates in I may choose their undergraduates courses attempt modern theories linguistics of which would be wise approval) as much as possible in this so as to avoid course listings English, General Philosophy, Psychology, and Audiology.)

General admission will be found to graduate admission and have at least beyond the intermediate language (or in English). Graduate or a thesis (6 credits the total to attain

For further graduate student available course numbers or James 532-6880.

SUMMER INDIAN

Each summer an opportunity books during academic credit humanities, two physical and biological all intelligible paperbacks, available

In the fall, meet in three books. Each selected faculty examination in course then

courses for the "credit-no credit"

Students with Arts and Sciences enrollment period do the reading made at a late the Dean's office

DUAL DEGREE IN BUSINESS ADMINISTRATION

The dual degree programs allow a student to earn the Bachelor of Science in Business Administration degree in addition to his non-business degree. Because of course sequence requirements, the program should be commenced during a student's junior year. Students must be enrolled in both the College offering their non-business degree and the College of Business Administration. Advising for Business Administration courses must be done in the dean's offices in the College of Business Administration. The program is not intended for students who have completed their non-business degree.

The following requirements are effective for all students entering the program after August 1, 1973, or all students graduating after August 1, 1977. Any student who wishes to take a dual degree must take a minimum of 150 credit hours and satisfy the requirements for both degrees. The following requirements must be completed either as part of the student's non-business degree or in addition to it.

305 260	Fundamentals of Accounting	4
305 270	Mgr. and Cost Controls	3
305 292	Business Law I	3
305 420	Management Concepts	3
305 421	Production Management	3

286 200	Fundamentals of Computer Programming	3
	Field of Specialization	9
		49

PRE-BUSINESS EDUCATION

Students preparing to teach business education in the junior and senior high schools are enrolled in a Pre-Business Education curriculum in the College of Business Administration for the freshman and sophomore years. Students will fulfill requirements for the B.S. Degree in the College of Education. During the four years, the adviser in the College of Business Administration aids in the selection of courses in the major. When students are accepted into the College of Education they are assigned to advisers in the College of Education.

Students must make application to the Teacher Education program during the sophomore year. Fifty-three semester hours are required for application to enter the College of Education and admission to the Teacher Education Program (See College of Education section for details).

PRE-LAW

Law schools emphasize various objectives in pre-law study for the development of basic skills and insights. These objectives are: (1) the acquisition of skills in comprehension and expression, (2) understanding human institutions, and (3) the ability to think clearly, carefully and independently. The stated purpose of the undergraduate program in Business Administration is to achieve these objectives. A pre-law student enrolled in the College of Business Administration not only

achieves these important goals, but also obtains a broad business background that is desirable preparation for the study of law.

INFORMATION FOR PRE-BUSINESS STUDENTS TRANSFERRING TO KANSAS STATE UNIVERSITY

Many of the fundamental courses required for a degree in Business Administration may be obtained through pre-business programs at other four-year institutions or junior colleges. In general, two years of course work will be transferable. Below are some suggested courses to be taken the first two years to transfer to Kansas State University for a degree in Business Administration without loss of credit.

First Semester	Credit Hours
English Composition I	3
Oral Communications (speech)	3
College Algebra*	3
Accounting I	3
General Psychology	3
Physical Education	0
	15
Second Semester	Credit Hours
English Composition II	3
American Government	3
Accounting II	3
Humanities Electives	3
Social Science Electives	3
Physical Education	0
	15
Third Semester	Credit Hours
Economics I	3
Managerial and Cost Controls	3
Fund. of Computer Programming	3
Natural Science Electives	3 or 4
Humanities Electives	3
	15 or 16
Fourth Semester	Credit Hours
Economics II	3
Business Law I	3
Introduction to Sociology	3
Natural Science Electives	3 or 4
Soph. English or Business Letter Writing	2 or 3
	14 or 16

GRADUATE STUDY

The College of Business Administration provides graduate work leading to a Master of Business Administration (MBA) degree in business administration and in accounting. All graduate programs require study in behavioral management, quantitative techniques and the decision-making processes. Specialization in a particular field is provided through the use of electives.

Admission to graduate study at Kansas State University is granted on three bases: (1) full standing, (2) provisional, or (3) probational. Recommendations concerning an applicant's qualifications and admission are made to the dean of the Graduate School by a faculty committee of the College of Business Ad-

* * The prerequisite of College Algebra for Business Administration students is two units of high school algebra. If a student has had one unit of high school algebra only, he must take intermediate algebra as a first semester freshman and College Algebra as a second semester freshman. Intermediate Algebra credit cannot be applied to a degree. If a student takes Analytic Geometry and Calculus I, it will substitute for 245 500 Introduction to Analytic Processes and his College Algebra requirement will be waived.

RE: Undergraduate Major

Dear Office of the Registrar:

My name is Kevin C. Frein and I'm an Assistant State Attorney in Broward County, Florida. I'm writing to you regarding the majors offered by your institution for specific years.

Currently, I'm working on a case where a defense expert states in his resume that he took classes required for a major in "Pre-Law" in 1975 - 1977 at your institution. Did your institution offer an undergraduate degree for a major in "Pre-Law" in 1975 - 1977? Has your institution ever offered an undergraduate degree for a major in "Pre-Law?"

If possible, I'm requesting a written response to the two above referenced questions. If you have any questions, please do not hesitate to contact me at (954)-831-0336. Thank you for your assistance with this request.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kevin C. Frein".

GRADUATE STUDY

The College of Business Administration provides graduate work leading to a Master of Business Administration (MBA) degree in business administration and in accounting. All graduate programs require study in behavioral management, quantitative techniques and the decision-making processes. Specialization in a particular field is provided through the use of electives.

Admission to graduate study at Kansas State University is granted on three bases: (1) full standing, (2) provisional, or (3) probational. Recommendations concerning an applicant's qualifications and admission are made to the dean of the Graduate School by a faculty committee of the College of Business Administration. The final decision regarding admission of an applicant is made by the dean of the Graduate School.

Admission in full standing to graduate study in business and accounting normally requires a minimum grade point average of 3.0 (B average) in an institution whose requirements for the bachelor's degree are substantially equivalent to those of Kansas State University.

Applicants with grade averages below 3.0 but above 2.5 will be considered for probational admission. In such cases evidence of superior capability in business, economics and mathematics or statistics will be considered.

Provisional admission may be granted to applicants who have subject matter deficiencies in undergraduate preparation. Normally these deficiencies will be made up by enrolling in courses for undergraduate credit.

All applicants must take the Graduate Management Admissions Test (GMAT). This test is a required part of the application, and the applicant should have the testing service report the test scores to the director of Graduate Program, College of Business Administration. A score of 450 or higher is an admission requirement which is waived only in exceptional cases where other strengths are demonstrated. Requests for applications and all questions concerning the test, including time and place, should be addressed to: Educational Testing Service, Box 966, Princeton, New Jersey 08540.

Completed applications should be on file with the College of Business Administration at least 60 days prior to requested enrollment date. For international students the completed application should be on file 120 days prior to requested enrollment date.

MASTER OF BUSINESS ADMINISTRATION

The program leading to the MBA degree in Business Administration is designed to provide broad education

in business management. Depth in a particular area is possible through the use of electives. The MBA program in Accounting is designed to prepare graduate students for careers in public, industrial or governmental accounting.

MBA IN BUSINESS ADMINISTRATION

Admission Requirements: In addition to the general admission requirements set forth above, the applicant must have completed at least two courses in economics and one course in accounting, business finance, business law, management, marketing, statistics, calculus, and computer programming.

The Program of Study: Generally, each candidate must complete the following core courses, or their reasonable equivalent, and fulfill either Option A or Option B. Other programs must be arranged with the advice of the graduate committee.

305 552	Real Estate	3
305 590	Women in Business	3

DUAL DEGREE IN BUSINESS ADMINISTRATION

The dual degree programs allow students to earn the Bachelor of Science in Business Administration degree in addition to their non-business degree. Because of course sequence requirements, the program should be commenced during a student's junior year. Students must be enrolled in both the College offering their non-business degree and the College of Business Administration. Advising for Business Administration courses must be done in the dean's offices in the College of Business Administration.

The following requirements are effective for all students entering the program after August 1, 1973, or all students graduating after August 1, 1977. Any student who wishes to take a dual degree must take a minimum of 150 credit hours and satisfy the requirements for both degrees. The following requirements must be completed either as part of the student's non-business degree or in addition to it.

Dual Degree Requirements

305 260	Fundamentals of Accounting	4
305 270	Mgr. and Cost Controls	3

305 292	Business Law I	3
305 420	Management Concepts	3
305 421	Production Management	3
305 440	Marketing	3
305 450	Business Finance	3
305 695	Business Policy	3
305 696	Business and Society	3
225 110	Economics I	3
225 120	Economics II	3
245 500	Introduction to Analytic Processes	3
286 200	Fundamentals of Computer Programming	3
	Field of Specialization	9

49

PRE-BUSINESS EDUCATION

Effective Fall Semester, 1975, Pre-Business Education majors are enrolled in and advised by the College of Education. Students interested in the field are instructed to refer to the College of Education section for details.

PRE-LAW

Law schools emphasize various objectives in pre-law study for the development of basic skills and insights. These objectives are: (1) the acquisition of skills in comprehension and expression, (2) understanding human institutions, and (3) the ability to think clearly, carefully and independently. The stated purpose of the undergraduate program in Business Administration is to achieve these objectives. A pre-law student enrolled in the College of Business Administration not only achieves these important goals, but also obtains a broad business background that is desirable preparation for the study of law.

INFORMATION FOR PRE-BUSINESS STUDENTS TRANSFERRING TO KANSAS STATE UNIVERSITY

Many of the fundamental courses required for a degree in Business Administration may be obtained through pre-business programs at other four-year institutions or community colleges. In general, two years of course work will be transferable. Below are some suggested courses to be taken the first two years to transfer to Kansas State University for a degree in Business Administration without loss of credit.

First Semester	Credit Hours
English Composition I	3
Oral Communications (speech)	3
College Algebra*	3
Accounting I	3
General Psychology	3
Concepts in Physical Education (1st or 2nd semester)	1
<hr/>	
15 or 16	
Second Semester	Credit Hours
English Composition II	3
American Government	3
Accounting II	3
Humanities Electives	3
Social Science Electives	3
Concepts in Physical Education (1st or 2nd semester)	1
<hr/>	
15 or 16	
Third Semester	Credit Hours
Economics I	3
Fund. of Computer Programming	3
Natural Science Electives	3 or 4

* The prerequisite of College Algebra for Business Administration students is two units of high school algebra. If a student has had one unit of high school algebra only, Intermediate Algebra must be taken as a first semester freshman and College Algebra as a second semester freshman. Intermediate Algebra credit cannot be applied to a degree. If a student takes Analytic Geometry and Calculus I, it will substitute for 245 500 Introduction to Analytic Processes and the College Algebra requirement will be waived.
