## Intoxilyzer 5000 Certification Course

The course is scheduled for October 2 - 5, 1996 at the Emory Conference Center, 1615 Clifton Road, Atlanta, GA 30329.

The Intoxilyzer 5000 Certification Course exceeds the breath testing training recommendations of the National Safety Council. Learn everything there is to know about the Intoxilyzer 5000, simulators, calibration checks, concepts on breath testing, test sequence options, infrared theory and practice, Widmark theory, pharmacology and toxicology of alcohol, interpretation of alcohol curves, and legal aspects pertaining to challenging breath testing.

All participants will be graded and evaluated on two written exams and one lab session. This course is strictly for the serious and highly dedicated DUI/DWI defense practitioner.

A limited mailing and full cover ad on NACDL's The Champion will assure 100% enrollment in this program. Don't delay in sending your deposit IMMEDIATELY! First come, first served. Return your registration form along with the required deposit no later than May 6, 1996. With only 36 students eligible for this program, you won't want to miss this opportunity.

If you should have any questions, please do not hesitate to call me (Adriana Antelo) at 404-816-3111.

### SPEAKERS:

**DR. RICHARD E. JENSEN:** Dr. Jensen is a nationally recognized expert in the areas of chemical testing, the analysis of blood, breath and urine for ethyl alcohol and other drugs, and the interpretation of the test results.
